Do not be too hard with yourself; Finding the right balance takes time. A .FUN Efforts Applications and Budget Appears If you want to make your own budget, then you will see Microsoft Excel, which is now available for use on -line for free, or Google Sheets. If you have money in savings, you can format your budget for each month to work with the amount you received in the previous month. Photo Courtesy: Jose Luis Poaez Inc / Getty Images If you are tired of asking yourself where your money continues to run away every month, maybe it's time to dive into the wonderful world of budget. At this point, you will want to make a list of all your expenses. The most difficult part is really staying with him and just spending as much money as you planned to spend on each category.
